Mr. DRON KAUSHIK, for the appellant / petitioner

Mr. NL JOSHI, for the respondent

Date of Order : 14.9.2004

HON'BLE SHRI N P GUPTA, J.

ORDER

These two writ petitions have been filed against the order deciding application for grant of temporary injunction. The orders were passed way back in August 2003, and no interim order has been passed by this court so far. It has been informed by the learned counsel for the parties that during this intervening period, the case has registered material progress, and is now pending for defence evidences.

In these circumstances, I think it appropriate to dispose of the writ petition without going into the merits of the impugned orders, and giving direction to the trial court to decide the matter finally within a period of two months positively i.e. before requirement of irrigation for the next crop occurs. This direction is only on the positive assurances made by learned counsel for the parties to the effect that they will cooperate in expeditious disposal of the suit.
